Homecoming

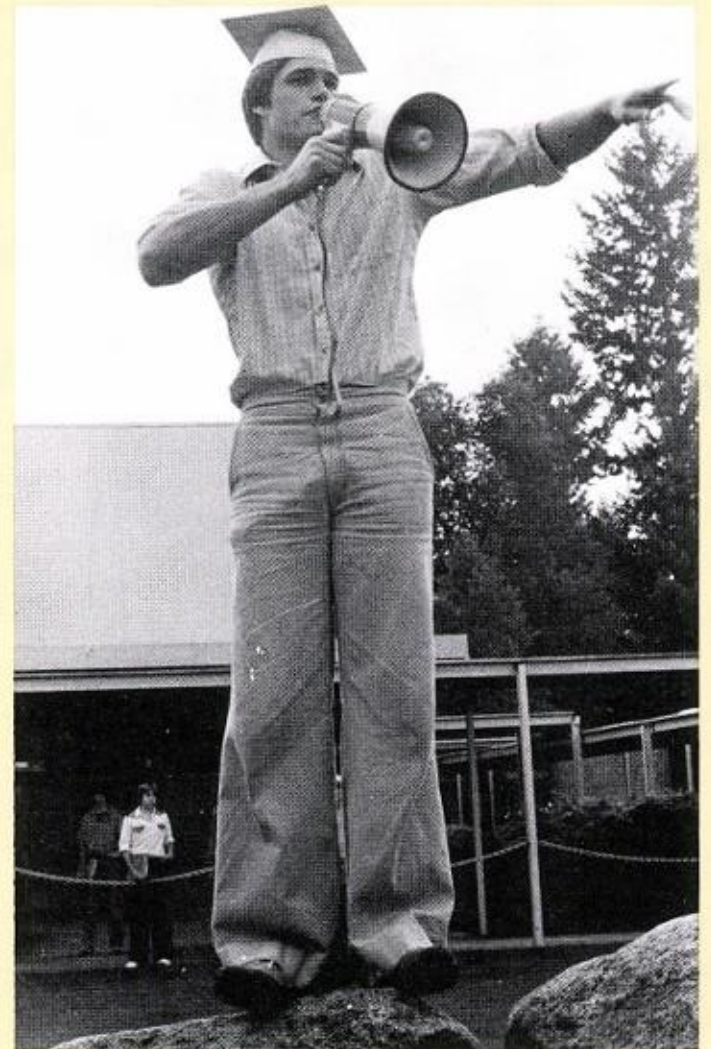

1979

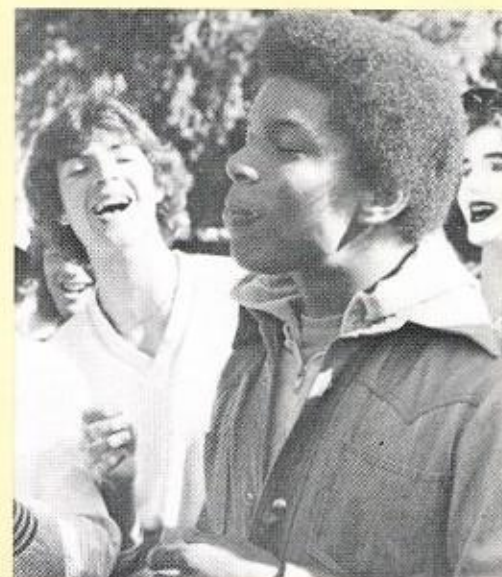

A time to reflect

A time to share

A time to laugh

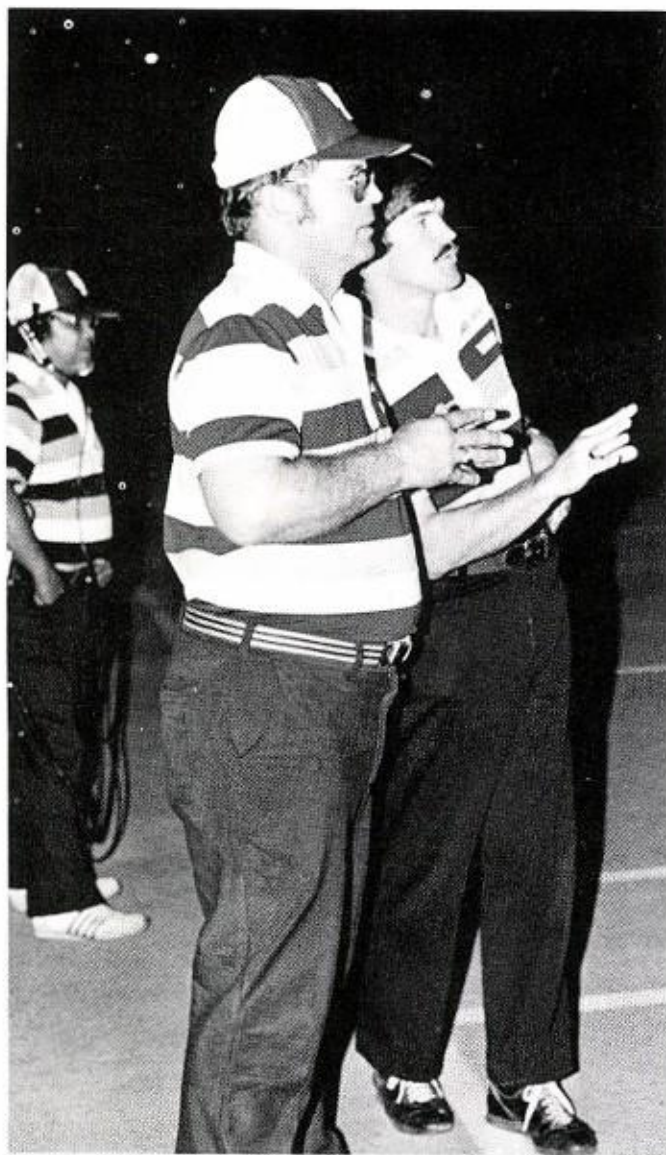

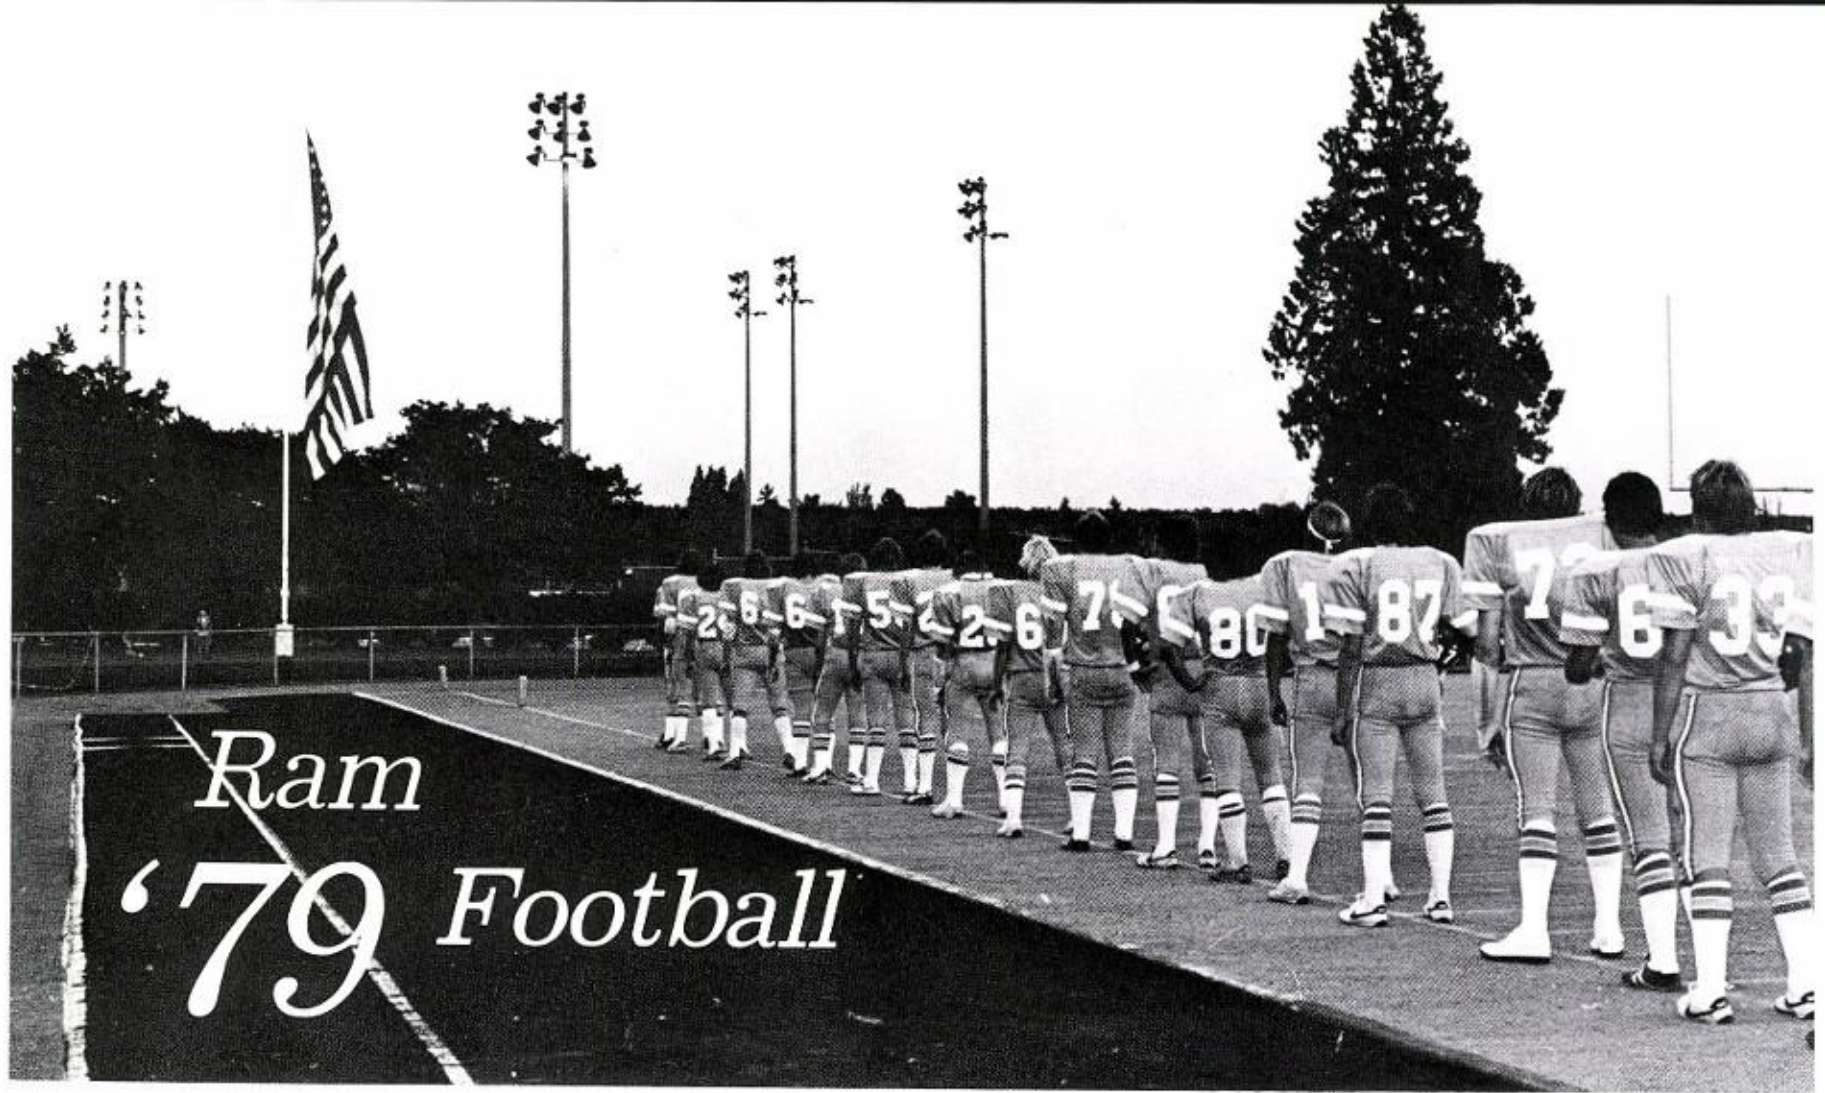

The week of Homecoming 1979 was all this and more. It began with a large scale jump in the quad. Monday's hats were also impressive. On Tuesday, the ladies were ready and "revved" for the tag race. The variety of vehicles was what made it so special. Pinned buttons took over on Wednesday (Yvonne Williams will probably never forget the joy of winning "Yarker Doodle Dandy" with his mouth glued shut). However, Thursday's "tug-of-war" brought out the most participants. Between the two lunches, the juniors and seniors proved victorious.

Finally, Friday arrived and gave the students, faculty, and alumni of Mt. Rainier a chance to enjoy the annual Homecoming assembly. Cries of excitement filled the gymnasium as MC's Danna Cowles and Todd Baker pronounced Mary Mirante this year's Homecoming Queen, crowned by 1978 Queen Mindy Thorpe. Mary's court consisted of Senior Princess Robin Kuznetz, Senior Princess Natalie Belvill, Junior Princess Sharone Stephani, and Sophomore Princess Mary White.

Although the football game didn't give us the desired win, the halftime show was well-executed. Following the game was a dance to remember, which wound up the 1979 Homecoming festivities.

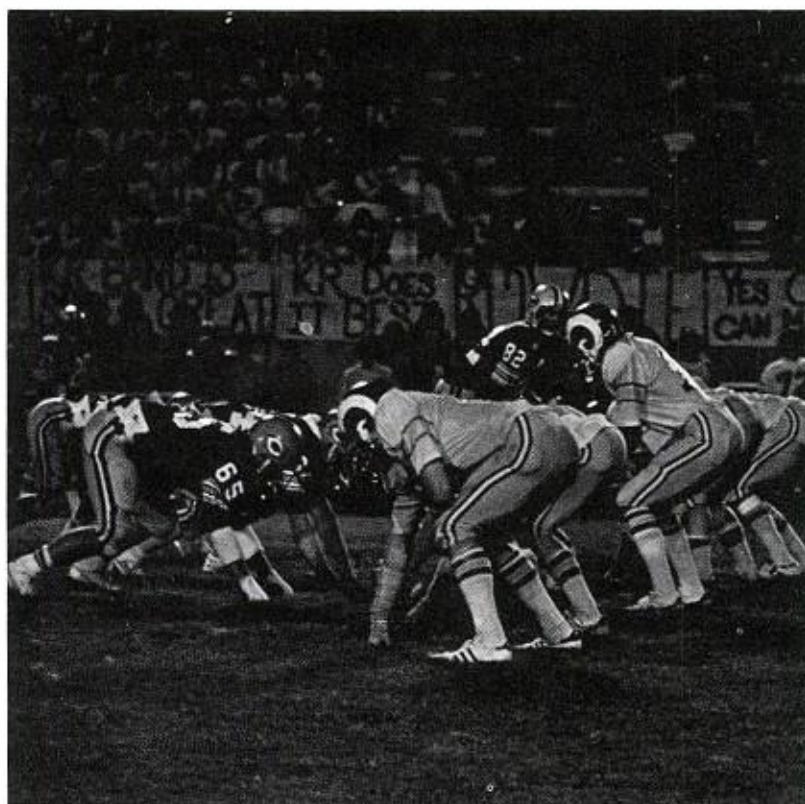

Coach Dotson and Coach Glennon pursue the mighty blue plan

The Rams this year had two new additions to the coaching staff-Mr. Dotson, Head coach and Mr. Kelly, Assistant coach. Together they, Mr. Glennon, Mr. Cordes, and Mr. Ronia led a team that knew where they stood in the ranks, but had the pride in themselves and the respect of others who supported their '79 Season throughout the thick and thin of the NPSL.

One special highlight to us all in their '79 Season was Junior, Scott Miller who at the Kent-Meridian game at French Field ran for a 97-yard Touchdown for a new school record. Congratulations Scott!

JV Football

The JV Rams pulled off a (2-5) win-loss record for their tough 1979 season. JV Coach, Mr. "C" Cordes, was an asset to the JV athletes not only on the playing field but in school. The JV team showed tremendous motivation, and we are all looking forward to seeing them back next year!!

Special awards voted by the team at the annual football banquet were Dan Eernisse-Captain, Val Bevins and Scott Miller-Most Valuable Players, Derrick Holte-Most Inspirational, and Mark Gosney and Roger Wigsmon-Most Improved.

Girls' swimming biggest fans ...

Oops! Wrong sport!

The 1979 Mount Rainier Girls' Swimteam, under the direction of third-year coach Paula Stokke, enjoyed another competitive and exciting year. Although the girls' achievements, as far as the won-lost record, were not that impressive, an inspirational and spirited group of dedicated athletes enjoyed another personally successful season.

Paula and the rest of the Ram girls, in this message, would like to take this moment to thank all people who devoted their afternoons to the Rainier girls at all their meets. To all the timers, to all scorekeepers, and to all their faithful fans who played a pivotal role in the girls having such a smoothly ran and exciting year, the girls offer a much appreciated **Thank You.**

Mary Lamery takes a stand

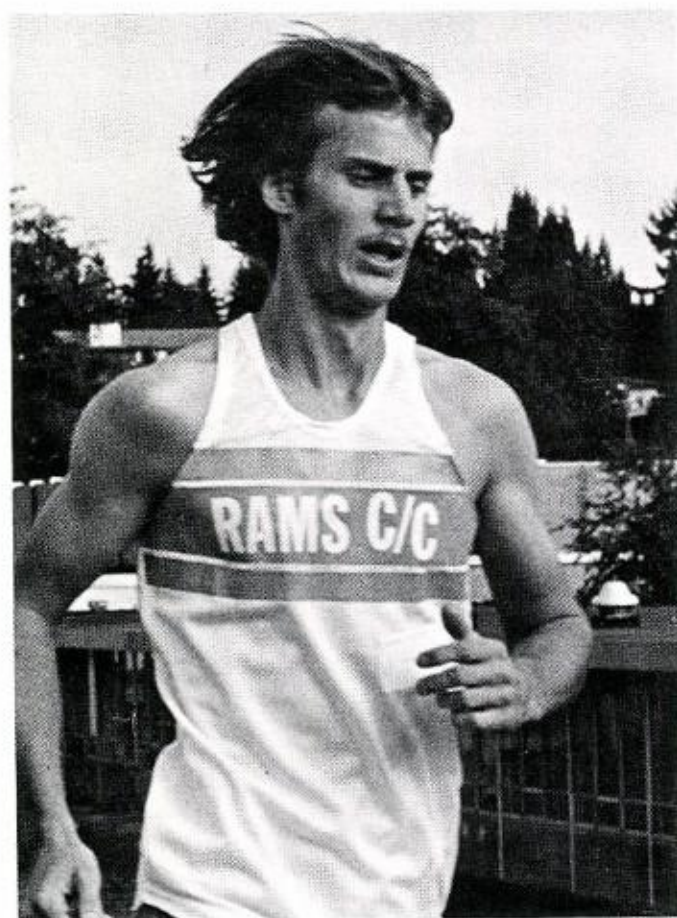

The 1979 Mount Rainier swim team, though not graced with an abundance of wins, were blessed with an abundance of talent. The Rams had such state qualifiers as: Karen Luschei, Serena Watson, Erica Nordean, and Lesley Fallon in the 200 meter medley relay. Erica Nordean also qualified in the 100 meter fly and the 50 meter freestyle; Karen Luschei qualified in the 100 meter backstroke and the 50 meter freestyle.

The Rainier girls were also a team comprised on the theory of team dedication and unity. The girls constantly were involved in various team functions such as: team breakfasts, banquets, and team dinners. The girls of this years team were not just considered a team in the pool alone, but a group of good close friends as well. Receiving this year's awards were, Judy Elrod, voted most inspirational and Sue DeMeerleer, awarded most improved.

Ram runners showed much improvement this year. Inspired by captain Darrell Godfrey with his storybook readings, the cross country team had many excellent individual performances. Even though the record was not great, they look forward to next year with 4 returning varsity runners for both the boys' and girls' teams.

The cross country team would like to thank Coach Powelson for his remarkable job of keeping these loonies together. This was his first year as coach and they look forward to him coaching next year.

This year's golf team, led by Coach Mel Command, finished the season with a league record of four wins and five losses.

Seniors Mark Fickes and Ron Averill represented the team at the N.P.S.L. Medalist Tournament and placed 9th and 16th respectively. At the golfer's banquet, Mark and Ron were given medalist awards. Mark was also selected by his teammates as captain.

The Rams are looking forward to a productive season next year with the return of freshman Steve Fickes, sophomore Jerry Unser and juniors Jeff Belvill and David Brooks.

The 1979 Ram squad was much improved over last year's team. The win-loss record didn't always show this, but the team was very competitive. They had returning players who added experience to the team, but at times there were three sophomores starting which will give them depth in the years to come. Coach Hutchenson was very pleased with the girl's efforts.

Visual Communications

Visual Communications is a two-year course.

The junior year is divided into four sections. The first quarter is commercial art, the second is Offset Printing. Close circuit T.V. is the third quarter and Photography is the fourth in the spring. Students who return a second year as seniors specialize in one of the four areas and develop job skills in that area. As graduates, they can persue a job or go on to further training.

DECA

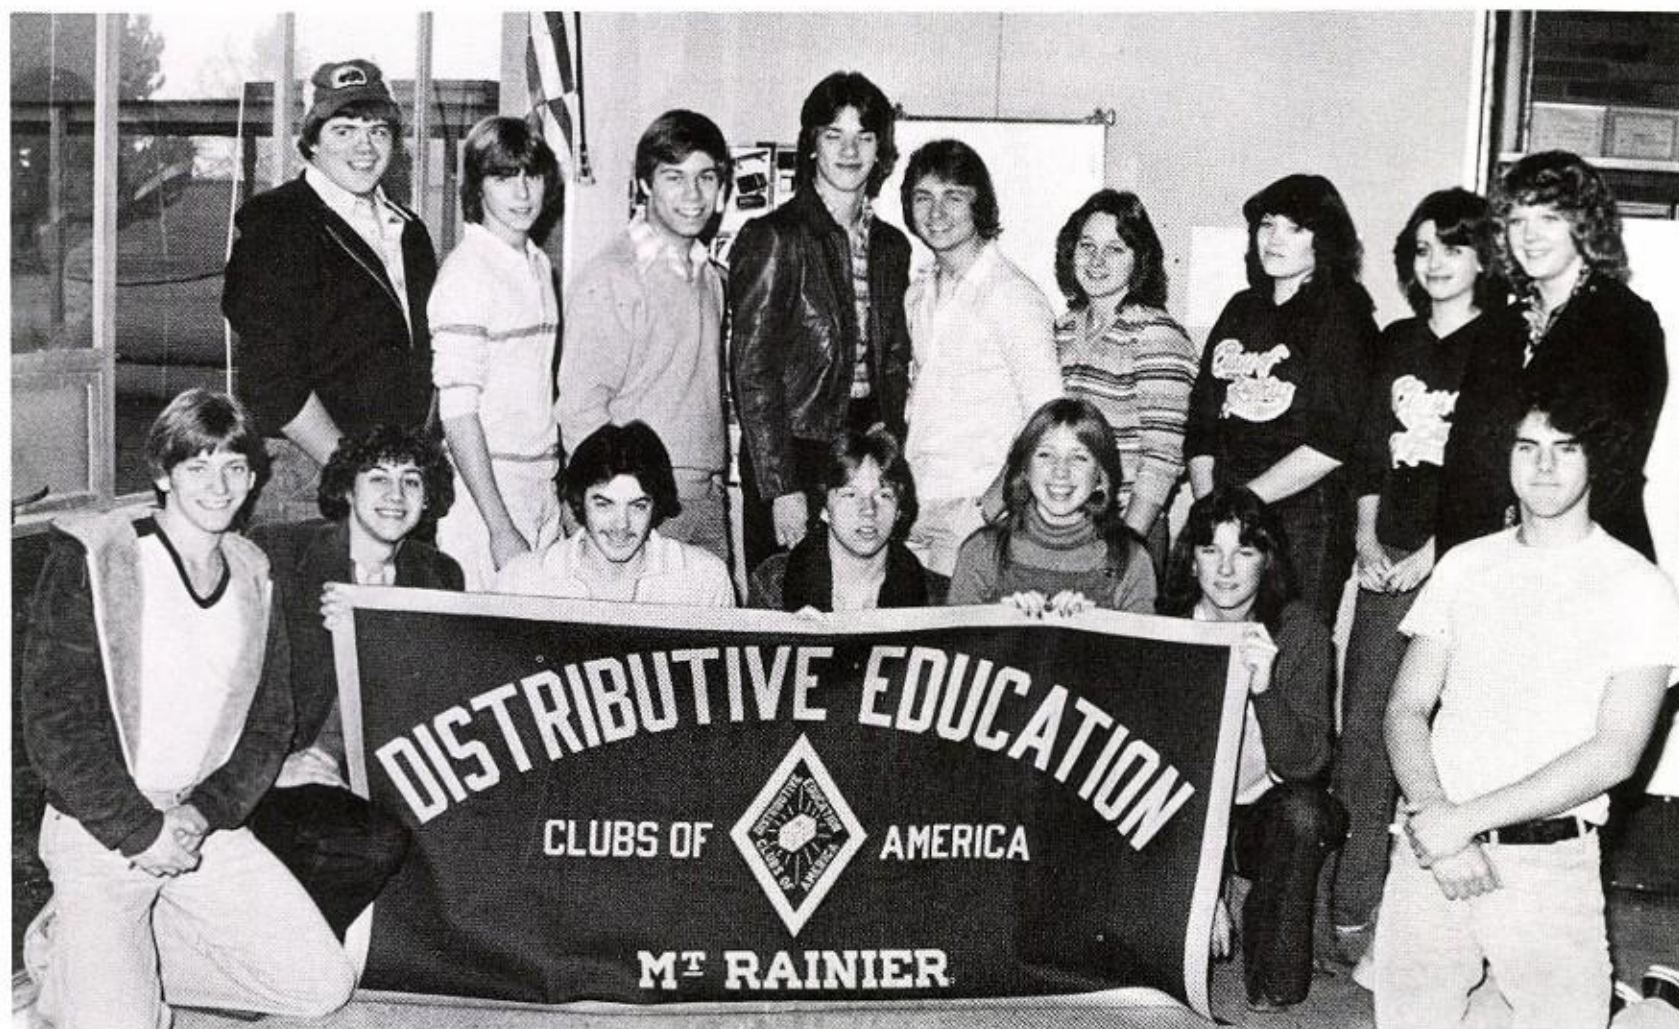

The Distributive Education class, commonly known as DECA, strived for many goals throughout the school year. Advised by Sharon Taki, their main goal was to learn and experience all the aspects of business such as marketing, management, sales, and advertising. They started out the year by rearranging the school store to accommodate the growth in student customers. Since then, DE has sold candy bars, apples, and even "Snuggles". They were in charge of class rings, caps, gowns, and graduation announcements. As a community service, the students took charge of a canned food drive at Christmas time and a ski swap with Highline High School in November.

The Many Moods Of DECA

The money earned from all these ventures paid the competing students' way to conferences. DECA students, in order to test their business knowledge and skill, competed against other Distributive Education Clubs of America in area, state and national conferences. In the end, students now had the potential to find a good job, gain a strong reputation, and advance within the company.

Driver's Education

Finally, the year parents have been looking forward to (or dreading, one or the other!) has come. No more driving the kids to school in the pajamas or picking them up from parties at 3:00 in the morning. Because this year, they get to take Driver's Education. With visions of that "dream car" in the back of their minds, students anxiously attend after school classes, simulation, and yes, even actual driving sessions to prepare for the big day, their sixteenth birthday!

Instructed by Bruce McDonald, Stan Reynolds, and Doug Samples, the students had supposedly learned to drive cautiously, and of course, defensively. But as everyone knows, it's always been safest to stay clear of a Driver's Ed. car!

Again this year Mt. Rainier students participated as counselors at Camp Waskowitz. Waskowitz counselors are selected in the Fall and Spring of each year to aid in the camp program. They come from the five schools in the Highline District.

This is a program that take the sixth graders out of their classroom and gives them a feeling of the outdoors. They are away from Mom and Dad for a week and are given every opportunity to learn about the outdoors. But not only do the sixth graders learn something, but it is an educational experience for the high school leaders as well. This makes a very enjoyable week for everyone to remember forever.

Those talented people (as pictured below) were Ron Averill, Jeff Clarke, Craig Dinkelman, Nick Marble and (not pictured) Keith Wise and Mike Schwarz along with the excellent advising of Mr. Ehinger, they posted a 4-1 record in league play. They also played outstanding in state competition. Many hours were put into the creation of this fine representation of sportsmanship at Mt. Rainier.

They went on field trips with the students and visited other schools and homes. Ms. Englund, the advisor, put a lot of effort and care into her work. The Mount Rainier boys' swim team finished the NPSL season with a 1 win, 7 loss, 1 tie record, but still managed to place a strong 8th in the Regionals. Competing in the Regional meet, Paul Watson placed 5th in the 100 back, Rusty Pepin placed 13th in the 500 free, and swimmers Paul Watson, Rusty Pepin, O.B. Eronomo, and Marty Sparks took 6th in the 200 medly relay. The 400 freestyle relay consisting of O.B. Eronomo, Marty Sparks, John Hoag, and Rusty Pepin swam a powerful 7th. For state competition, Paul Watson qualified with a solid performance in the 100 back. We are looking forward to next year's team of outstanding swimmers and an exciting 1980-81 season!

1979-80 RAM

Varsity: standing - manager Todd Veenhuizen, Coach Cordes, Mark Fickes, Jeff Bennett, Dan Eernisse, Dave Rencher, Doug Mehaffey, Steve Edmiston, Paul Berryhill, Coach Duncan. **Kneeling** - Craig Hovland, Darren Kawabata, Bill Dickerson, Kerry Moore, Pat Jackson, Craig Maley.

Although the Mt. Rainier boys basketball team finished with a 4-16 record, they proved they had plenty of talent. Sharp-shooters Craig Maley and Steve Edmiston kept the Rams going from the outside, and senior Dave Rencher gave the team intensity on the inside. Mark Fickes lead all team members with a scoring average of 14.4 points per game and a rebound average of 7.6.

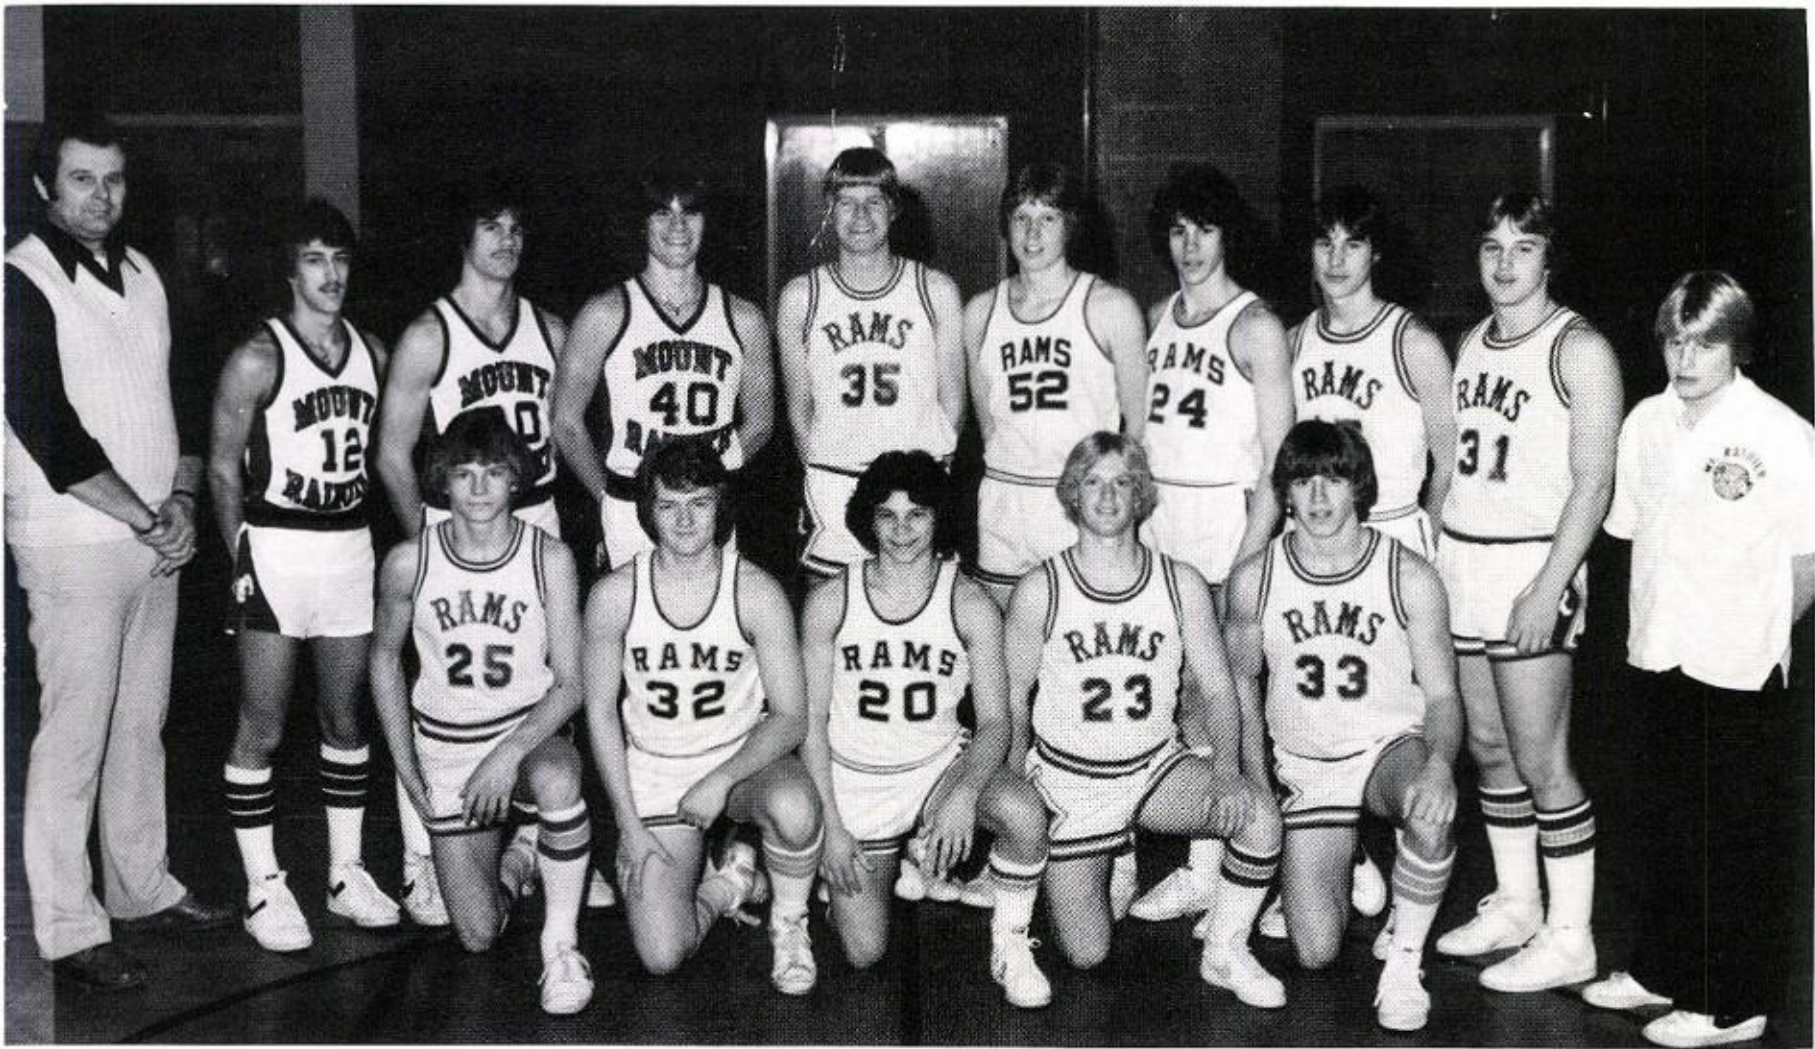

One of the high points of the Ram's season was the outstanding win over Kentridge by a score of 78-57. The game was further highlighted by a broken rim that had to be replaced at half-time.

Honors this year went to 1979-80 team captain Dan Eernisse, 1980-81 team captain Craig Maley, most inspirational player Darren Kawabata, and most improved player Doug Mehaffey. Congratulations go to these guys and the rest of the Ram team.

Junior Varsity: standing - Coach Cordes, Bill Dickerson, Craig Hovland, Jeff Bennett, Curt Steigers, Dave Schumacher, Mark Gehring, Tom Good, Chuck Huber, manager Todd Veenhuizen. **Kneeling** Larry Pruett, Steve Lyons, Kelly Johnson, Tim Katzinski, Scott Miller.

The JV Rams had an outstanding year, finishing with a 9-9 record in league and 11-9 over all. The Rams were led by Larry Pruett's scoring (11.7 points per game), Scott Miller's rebounding, Bill Dickerson's assists, and Craig Hovland's free throw shooting (80%). The team was also fortunate to have a terrific coach, great statisticians, and a . . . manager.

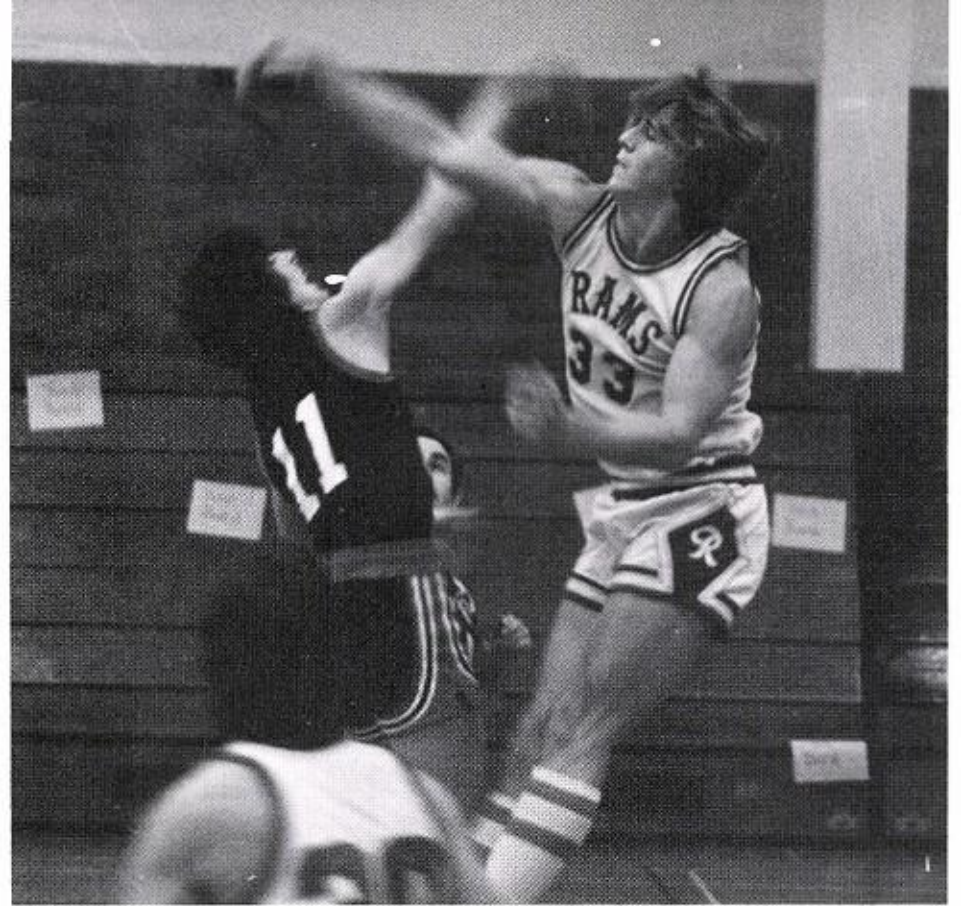

Besides just having a great time playing basketball and being together, the team will remember those thrilling victories, the tough losses, Mrs. Cordes yelling "Up, Chuck!", Oscar the bus driver, those moronic refs, the Lindbergh gymnastics team, and the day Craig Hovland became a big time brawler.

With only two starters back from last years state 5th place team and a lot of first year Juniors and Sophomores, the Rams built a winning team. The Rams lost some early games, but put together a string of 8 victories mid season and moved up in the standings to take 4th place and pick up a play-off berth. The dream was short lived, however, as the Rams dropped their opening round game and watched the rest of the games for state from the sideline.

The Rams played as a team, and kept the tradition of never finishing below 4th place in league play alive.

Team captain Denise Hendricks set a new North Puget Sound League career scoring record and became the all-time NPSL scoring leader with 940 career points and a 16.20 game average. It was an exciting year. We can truly say "We gave it our best shot."

JV Basketball

The Girls JV Basketball team, headed by Coach Gordon Brisco, had a very successful season with a win-loss record of 11-7. They started off the season slow with three losses, but later went on to win five in a row. The Ram girls started off with twelve players, but due to injuries and other complications, ended up depending on seven major players. This year's J.V. team will really give the varsity team a boost next year.

What the Ram gymnasts may have lacked in victories, they more than made up for it in team personality. The team was not only exciting to watch, but was fun to be a part of. Outstanding performances by Kim Milner took her to regional competition, where she just missed going on to State by placing 13th. Natalie Belvill, the only 3-year participant and team captain, added much to the team through her performances and her inspiration. The prospects for next year appear excellent from all of the sophomore and junior participation.

The 1979-1980 wrestling season for the Mt. Rainier Rams was one of hardships, courage and emotion. With only 7 or 8 varsity wrestlers out of 13 most of the time it was next to impossible to win any dual matches. To make matters worse, the team went through a stunning coaching change midway through the season. With all these adversities, the Rams showed much courage and poise with outstanding individual performances. The team looks forward to a season next year in which only 3 seniors are leaving this year.

Relatively unknown to the student body this year were the activities of Mt. Rainier's Ram Rally. Despite the club's small membership and the absence of an advisor, Ram Rally was able to play a major part in promoting school spirit. The girls faithfully put up locker posters and tried their best to produce signs for the games. They were responsible for two money-raising activities this year: the Thanksgiving Pil-grams and the sale of candy bars. They were also able to hold a successful assembly. One of their goals this year was to attend at least two events a week to support their Ram athletes. All in all, they did an admirable job which was appreciated by many. Thanks, girls!

1979-80 Ram Cheer Staff, a dedicated and devoted group of young ladies, who were responsible for the enhancement of school spirit here at Mount Rainier. These girls, direct from the onset of their election, spent a long spring and summer preparing routines you saw this year. They attended WCC Cheer Camp in July and received five superior and two excellence ribbons. They also received a special award called the "Pep Pennant".

At the start of the year, Miss Taki was their advisor and got them off to a good start. But due to DECA involvements, turned the job over to Frau Paulsen, who was both advisor and friend to the girls for the remainder of the year.

The entire student body wishes to say "thank you" for the hard work.

Youth And Government

Dave Nichols, Dave Groom and Darrell Hall discuss the issues.

Youth and Government is a YMCA sponsored program for high school students. The program consists of meeting once a week from September to April. In these meetings, the students study the problems within Washington State and then write a bill what would deal with Washington State problems. The participants in the Seattle area meet three times. The first time they elect officers. The second time, a meeting is held at a YMCA camp over a weekend to participate in a mock legislation. The students take up the roles as Representatives, Senators, lobbyists, reporters, and pages. During this time, mock legislature discusses and votes on the bills written by the students. This is in preparation for the real thing down in the State Capitol. High school students from all over the State of Washington convene in Olympia to form the YMCA youth legislature. They consider bills that are written by the students. Mt. Rainier makes up the Highline delegation which is one of the strongest delegations of the state.

These are the diligently dedicated group of Rainier students that kept our school extra- curricularly ticking. The ASMR, and all their meetings were conducted under the strong guidance of this years student-body officers: Dan Eernisse, president; Bernie Pratt, Vice President; Darrell Godfrey, Treasurer; and Natalie Belvill, secretary. These early morning meetings attended by all class officers and homeroom representatives decided the fate of many of Mount Rainier's vital issues. The list of the ASMR's endeavors and accomplishments goes on endlessly as their never-ending devotion to achievement provided the key to the enjoyable year experienced by all the individual members of Mount Rainier's student body.

JOG-A-THON

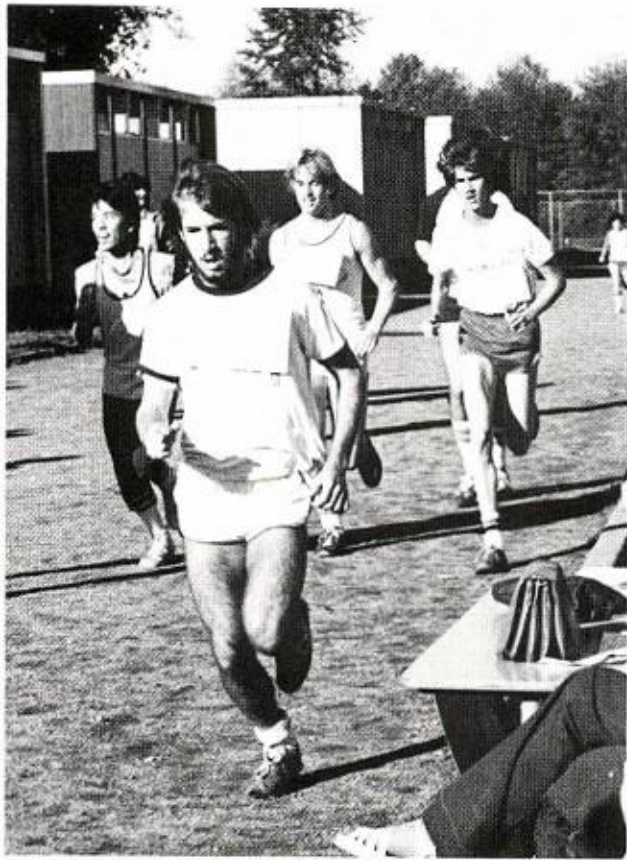

ASMR reached many accomplishments during the 79/80 school year. The first thing they did was to change ASB to ASMR. This stresses individuality by the students of Rainier. ASMR was responsible for the very successful Homecoming festivities. The major money making effort by ASMR was the Jog-A-Thon. This was a fun activity for the participants and proved to be very profitable. ASMR also organized the Spirit Of Giving assembly at Christmas time. ASMR Night and the famous Car Show were also popular fund raisers.

Officers Show Their "Class"

Rob Nichols, Steve Edmiston, Robin Kuznetz, Paul Berryhill

The class of '80 was full of energy this year. They were responsible for the infamous 60's revival dance, which was different and fun for everyone. Class of '80 tee-shirts went over big this year. They all sold out very quickly. With all the money the Seniors earned during their three years at Rainier, they hired Darrel Harlow, a local artist, to paint the mural. This mural will long be a remembrance of the class of '80.

Nancy Halvorson, Tim Katzinski, Jenny Mueller, Bill McCann

The Junior class proved to be a very money-making organization during the 79-80 school year. Their first project was the paper drive, which was very successful. The money earned was used for the excellent Prom they put on. They also sold Mount Rainier mugs which everyone drank out of at one time or another during the year. The class of '81 did a great job in all of their endeavors.

Darci Baccetti, Todd Finley, Alyson Huber, Scott Finley

Sophomores were in charge of all the menial tasks around school this year. They diligently sold tickets, sno-cones, and popcorn at all of the home basketball games. They were also responsible for campus clean-up. With their profits, they put on an outstanding Tolo. The theme was "All My Love," and the band was Johnny Champion and the Secret Squadron. Congratulations to the class of '82 for coming through with their first major production.

Last year the Highline School District held its first Student Leadership Conference, better known as "Leadership Camp." Because of the success, it was held again this year.

Thirty delegates from each high school in the Highline District were selected to attend the conference which was held at Camp Wascowitz. The conference lasted three days. On the first night a barnstomping square dance was held to get everyone acquainted.

The next two days consisted of speakers and discussions on leadership and leader qualities. On Saturday night a "mini Olympics" were held for a little competition.

Despite the cold showers and over abundance of exercise at meal time ('round the building you must go . . .), everyone had a fantastic time.

Mountain Club

Mountain Club, its five year mission. To explore strange new peaks and horizons, to seek out new rivers, to boldly go where no man has hiked before. The 1979-1980 season proved fulfilling as Mt. Club continued their trek, up everlasting mountains, across continuous snowfields and down tumultuous rivers. The club whose members were: Jim Davies, President, Jim Hugo, Vice President, Jenny Lathrop, Secretary, Kari Wilson, Kaye Kelmer, Diana Dingman, Lynda Lyttle, Bev Clos, Lee Christopherson, Anne May, Lynda Wright and Shannon Bales, hopes to add to their five year record, challenging steeper slopes, calming rougher waters and reaching the ultimatum, the summit of MT. Honor Society, whose members have attained a grade point average of 3.3 or above, is a very important part of both Mt. Rainier and the surrounding community. They annually sponsor Operation Christmas, which helps needy families in our area. Honor Society also has many fund raising activities to fund scholarships for two outstanding seniors. The clubs advisor Ms. Starbird, helped to direct the officers in their planning. The officers, Mike Wilson, president, Kathryn Bigger, Vice President, Todd Baker, Secretary-Treasurer, along with the rest of the club, worked hard and long to accomplish all the Honor Society projects this year. Without their effort, little would have been accomplished.

Giving . . .

Operation Christmas is designed to bring food to the needy families of our community during the holiday season. Food was collected by the students of Mt. Rainier and taken to the food bank in Des Moines. After that, it was distributed to needy families around the area. Unfortunately, this year's canned food drive was not as successful as other years; only six boxes of food were collected. However, \$408 was collected, in cash, \$290 of which came from MR student body contributions. In the end, the food and money went to good use and helped to brighten many peoples' holidays.

A special thanks goes out to all the students who contributed their time and money to this very worthwhile effort.

Have you ever wondered what the class of '92 is going to look like? Well here is a sneak preview, Mt. Rainier's own kindergarten class.

Three days a week the Exploring Childhood class plans their lessons and discusses with the class any new ideas or problems they may have. The remaining two days are spent working with these "little people" on such major world problems as tying shoe-laces, counting, and playing games. Under the direction of Mrs. Craig and Mrs. Albrecht, this program has been a success for the past six years, and it has helped Mt Rainier students understand the development of children.

Ram Varsity Debate

Again, Varsity Debate was a great success. To begin with, there was a 100 percent return of JV debaters from last year—that shows devotion! The first experience was getting to judge JV debaters at the NPSL Novice Tournament. Then, the varsity got its season off to a start at the Puyallup Invitational tournament. Competitions throughout the year in November took the team to Western Washington University, Highline High School, University of Puget Sound, and the University of Washington. Varsity debaters also represented Mr. Rainier well at NPSL Round Robins as the Rams qualified for state and left the other teams looking on in awe. For a grand finale, the varsity team made its last showing at the State Debate and Individuals Events tournaments, and at the National Forensics League tournament. Overall, it was a great year for this group of “smooth talkers!”

The Juniors substantially augmented the Senior team and helped the entire squad place among the top teams during the entire season. Overall, it was a super year.

Drama

This year's Drama Department carried out a very interesting lineup. Along with studying stage make-up, technical theater, acting and directing, Michael Fuller also had his students involved in mime, configuration, and improvisation. During the time not spent developing skills in portable 9, the drama class went to various plays like "Taming of the Shrew", and "Our Town" at U.P.S. On top of all that, the Drama and Music Departments combined to form a Performing Arts Assembly for the students of M.R., where everything from tap dancing to singing to juggling were performed.

In the end, Mr. Fuller succeeded in opening up a new branch of creativity in the students which will never be lost or forgotten.

We,
the seniors,
who have laughed, cried, shared,
and struggled together,
venture forth alone.
Our past relationships have prepared us
to step forward,
to interact with new people,
to experience and grasp life
on our own terms.
It is the time to stop observing
and begin participating.
We are...

the next generation.

A big "THANK YOU"

Once again, it is time to thank the people who make Mt. Rainier's annual such a memorable piece of work. Without the kind of guidance and help we get from professionals who care, the yearbook would not have been such a success. We would like to thank Mr. George Somoff and his assistant for their time, efforts, and fantastic pictures. Extra thanks goes to Mr. Jim Palm, field supervisor, who has guided us over the rough spots when we needed him most. Finally, we extend our sincere gratitude to Mr. Gene Sartore, who time and again, was the strong force behind our efforts. Without him the job wouldn't have gotten off the ground.
